AUTHOR'S NOTE

It was an utterly hot day, as I recall. Riding a beat-up motorcycle and covered in sweat, he delivered the mail. There was not a moment to relax before going on to the next stop, and I can still see that delivery man working, in my mind.

Come rain, come snow . . . they finish their exhausting duty with dignity. And though it is hard work, this pride in their work makes them beautiful . . .

And so to all of our country's mailmen, I give thanks. This manhwa book is dedicated to them.

the explosive delivery man

DARK HORSE MANHWA

Visit www.darkhorse.com for previews of upcoming BANYA volumes and other great Dark Horse Manhwa titles!

With a widespread war raging between humans and the monstrous Torren, the young delivery men of the Geye Desert Post Office do not pledge allegiance to any country or king. They are bonded together by a pledge to *deliver*. "Fast. Precise. Secure." Banya, the craziest and craftiest of the bunch, will stop at nothing to get a job done. Known for his risk taking, bold resolve, and impeccable record, Banya agrees to complete a wounded soldier's mission to transport a parcel of great importance—not knowing what dangers lie in store for him and his friends! As their arduous journey begins, Banya promises, "There isn't a delivery I can't make. I always deliver."

Kim Young-Oh's fantastic world is filled with unique monsters, vicious swordplay, and a dash of hotfooted humor. This series is presented in its original Korean format and translated by the mother/son team of Teesoon Kang and Derek Kirk Kim!

This collection is translated into English but oriented in its original left-to-right reading format and published at its original size.
